Ervin Elementary School Parental-Family Involvement Plan 2020-2021

It is the mission of Ervin Elementary School to present opportunities for children to grow and develop as emerging learners within a diverse society. The staff at Ervin Elementary will provide a safe, nurturing, and developmentally appropriate learning environment that supports students' social, cognitive, emotional, and physical development and challenges them to reach their maximum potential. In order to accomplish this goal, teachers, parents, students, and families must work in a collaborative partnership.
