REQUIRED STUDENT TECHNOLOGY-USE FEE

HMC-1 PARENTS:

All students in the district will be assessed a \$5 student technology use fee for grade PreK through grade 5. *All middle school AND high school students (grades 6-12) will be assessed a \$20 student technology use fee.*

These fees will be used to assist with the cost of technology used by all students in the District. Most surrounding Districts assess a \$30-\$50 insurance fee and/or a \$25-\$50 technology use fee *per student*.

HMC-1 is cognizant of the need to assess a fee in order to maintain essential technologies for student access throughout the school year – while also trying to minimize the impact on District families.

This fee is due as part of registration for all students.

Please plan to take care of this by completing the form on the reverse side of this document.

Please be prepared to take care of this at Centralized Registration.

Thank you – and have a great school year!
