Dear HMC-1 Parents & Guardians,

The Hickman Mills C-1 Board of Directors would like to thank Dr. Cargile for her three years of service as Superintendent of the Hickman Mills School District as well as her two years as Associate Superintendent of Student Services. Through the work of Dr. Cargile, the Board approved the District's current Strategic Plan that will continue to move our District toward a bright future.

The Board of Directors is committed to a smooth transition and assurance that our students, families and community come first. To facilitate this transition, the Board of Directors will select a search firm to assist with a national search for a new District leader. In the coming weeks, the Board will select an interim superintendent to work with Dr. Cargile during her remaining time with us. Our Interim Superintendent will transition us to a new District leader.
