Ervin Elementary School Parental-Family Involvement Plan 2019-2010

It is the mission of Ervin Elementary School to present opportunities for children to grow and develop as emerging learners within a diverse society. The staff at Ervin Elementary will provide a safe, nurturing, and developmentally appropriate learning environment that supports students' social, cognitive, emotional, and physical development and challenges them to reach their maximum potential. In order to accomplish this goal, teachers, parents, students, and families must work in a collaborative partnership. Each year, we will develop a **Parental-Family Involvement Plan** to provide regular opportunities for us to exchange ideas about how we can support and promote the educational growth of each student. Listed below are ways in which you can become involved in your child's educational experience during the school year!

Opportunities for Parents/Guardians to Support Student Academic Achievement
