Burke Academy Parental-Family Involvement Plan 2019-2020

Burke Academy is the new alternative school for HMC1. This unique school setting will provide students the opportunities to learn in an environment with small class sizes, a student support team, and Restorative Practices that help to establish social-emotional skills along with building a community. We have developed a **Parental-Family Involvement Plan** to establish opportunities for our families to be engaged and to exchange ideas about how we can support and promote the educational growth of each student as they work to transition back to their school of origin. Below are ways in which you can become involved in your child's education during the coming school year:
